

## SEAFOOD DIRECTIONS 2017

# Sea the Future

## 27 – 29 SEPTEMBER

INTERNATIONAL CONVENTION CENTRE SYDNEY

REGISTRATIONS NOW OPEN!

You're invited to join us to 'Sea the Future' at Seafood Directions 2017.

The two-day conference showcases the best of the Australian seafood industry and opens the door to discussions, concepts and solutions for all levels of the supply chain.

Seafood Directions 2017 will provide a platform to connect and collaborate with business leaders and those at the forefront of the seafood industry. Discuss the current and potential challenges that the industry is facing and develop the ideas that will pave the way for a sustainable future for all.
